& WORKFORCE DEVELOPMENT**

**Alaska Workforce Investment Board
Assessment & Evaluation Committee Report
October 27, 2009**

The Assessment & Evaluation Committee met two times since the AWIB meeting in May 2009. The committee was newly formed at the May meeting by separating it from Policy and Planning. Dave Rees is the committee Chair.

The committee worked on the following issues since the last board meeting:

1. Discussed the role of the committee and shared ideas on what the committee should evaluate. The following are some of those discussion points;

What to evaluate:

STEP

- Perkins
- Coordination of services
- AVTEC / other state training centers
- DVR
- UA WFD programs

Process of evaluation:

For each program:

- Identify the intent
- Identify the entities
- Relate to AWIB priorities
- Review the results

Broad View:

- Coordination of programs
- Relevance to the priority workforce development areas
- Relevance to AWIB objectives

Assessment reports

- Governor
- AWIB plans
- Legislative report

The committee reviewed the Annual Report due October 1, 2009 from the Division of Business Partnerships and forwarded to the Exco for approval.
